

## How to determine if you have a spirit of poverty...

Your mouth will change any circumstance that you currently face. This is done by finding the Word of God on a specific topic and renewing your mind with the truth about the matter and speaking it out. So, if you find that you are suffering with the spirit of poverty, decide that you will change your situation and put on the spirit of prosperity.

## What is the spirit of poverty?

In order to determine if you have the spirit of poverty, there are two basic principles that you must know. These principles work for both the positive and negative.

They are:

1. We shall have whatsoever we say (Mark 11:23).
2. As a man thinks in his heart, so is he (Proverbs 23:7).

The Scripture says it like this:

### Mark 11:23

For verily I say unto you, That whosoever \*shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall \*\*believe that those things which he \*saith shall come to pass; he shall have whatsoever he \*saith.

Notice how many times it the Word says to \*\*"say" and how many times to \*\*\*"believe" it takes three times as much saying as it does believing.

The following list will help you determine if you have a spirit of poverty. If you answer "yes" to any of the items below, you are bound by the spirit of poverty.

- You justify your lack and make excuses.
- You are critical of those who teach and preach prosperity.
- You don't think that a man or woman of God should live in abundance.
- You question, "Does it take all that to prosper?"
- You are afraid to give under the direction of the Holy Spirit.
- You govern your finances with a lack of trust and don't believe God is your source
- You are suspicious that those around you may take your money.

I trust this has been a blessing and a help to you, remember to believe God for your 100 fold return.

And as Dr. Leroy Thomson says "Money Cometh" to the body of Christ
